There can be communication problem if the volunteer doesn't speak English well. This is the most important criterion and your English language capabilities might be checked if you are preselected to do EVS in Leszno.

- Be enthusiastic and motivated

A short EVS project needs motivated volunteers. Please show us in your application why you want to join the project and our organisation.

- Be proactive

We expect the volunteer to work with us to come up with clear goals and expectations and make the most from his/her time in the EVS. That also means personal involvement in improving own EVS program.

- Like the multimedia

Because those positions involves working with videos, photos and graphic design and other publications, it will be helpful if the volunteers like to work on multimedia.

- Like to moving☺

As those project you will meet different kids, youth and people you have to be ready for moving from one place to another☺

It is important for the project that there is respected sending organization which prepares you to join this EVS project. They will provide you with a pre-departure training.

IMPORTANT NOTICES BEFORE APPLYING FOR VOLUNTEER

- Fundacja Centrum Aktywności Twórczej provides language support. Volunteer has the right to resign without any consequences.
- For your transport you will receive a bike to move through the city. You will also use the trains and buses here . All the travels connected with the project are reimbursed.

- Travel to Poland will be reimbursed according the Distance Calculator from European Comission.
- It is very wise to save some money before coming to Leszno. The pocket and food money is decent for EVS, but won't leave you a lot of space to explore Poland. If you really want to enjoy your EVS, explore the country and meet up with other EVS volunteers in other cities we would highly recommend to have some other resources then the basic EVS allowances. The other fact for this advice is that your insurance on EVS is not paying for any healthcare in advance as long as you are not administered in the hospital. This means in practice that you have to pay in advance for your healthcare and have to wait weeks before AXA is reimbursing the money to your bank account.
- At the moment of applying you must have a sending organization

How to apply/the volunteers/

Please send us motivation letter and CV to evs@fundacja-cat.pl. Also we kindly ask you to send us movie about you, song ppt presentation or other creative presentations to show us your skills, and ideas for involvement in the project!
